From the Principal

Welcome to the 2013 School Year

I trust that everyone had an enjoyable break and is looking forward to a wonderfully dynamic and productive school year. At Warren Central School, 2013 is the “Year of Growth and Innovation” and we will be making this the focus of all our professional learning throughout the year. Last year students and staff were asked to “Expand the Borders” and “Broaden the Horizons” of their knowledge and this will be extended throughout 2013.

In January, I had the opportunity to visit three schools in the United Kingdom to discuss their learning and accreditation journeys as “Thinking Schools”. I was also able to share the wonderful and exciting work Warren Central School had implemented in cognitive development and education. The visits to Christ the King Primary in Llanishen, Wales as well as Wood Green Academy and Woodnewton Learning Community in the Midlands of England allowed me to see cognitive teaching and learning occurring in classrooms across the K-12 continuum. These innovations will be implemented in classrooms across Warren Central School during 2013.

Our school targets reflect this vision and focus solidly on improving our student’s skills in Literacy and Numeracy. The school is also continuing to invest in professional learning that will improve the levels of engagement of the students. This year we as a school will be working with our students and teachers on our accreditation journey as an accredited “Thinking School” with the University of Exeter in England. In doing so, we will become the first government school in Australia to be accredited.

During 2013 we will continue to promote aspiration, achievement and attendance with our students and parents. When students aspire to a goal this allows them to follow the road towards achievement and ultimately succeed in the attainment of that goal. Attendance is vitally important to achievement as it allows students to gain the knowledge and skills to succeed by following a well-designed and sequential path. It is crucial that your child attends school every day to gain the maximum benefit we can provide at Warren Central School.

I would like to welcome our new teachers to the school community. Mrs Gaye Rush has joined the Secondary staff in the English Faculty after teaching at Tottenham Central School for a number of years. Mrs Shannon Appleyard has accepted the position of teacher of the Multi-Categorical class in Secondary and Mrs Julie Wise will be teaching secondary Agriculture for one day a week.

Finally, I would like to thank all parents and carers who have entrusted us with the vital role of educating your children for the 21st Century. The school has a strong commitment to work with parents to achieve outstanding outcomes for your children.

Updating Information

It is important for parents and carers to update their contact phone numbers and addresses with the school. This allows us to contact you if there is an emergency or other matter that requires prompt attention. Parents and caregivers must also notify the school of any medical conditions so that if illness or accidents occur your child can receive the best medical treatment available. Please contact the school during school hours to amend your details.

Auscott’s Bruce and Robyn Loder Education Scholarship 2013

Congratulations to Rebecca Murray on winning this year’s Auscott Bruce and Robyn Loder Education Scholarship. It was extremely pleasing to attend the presentation of the scholarship this morning with Mrs Dianne Hamilton and Mrs Robyn Taylor. The school and her parents are very proud of Rebecca’s achievement and wish her every success as she leaves to study Business and Marketing at CSU in Bathurst.

Warren Central School would also like to sincerely thank Auscott Limited for their altruism and vision in supporting outstanding young people from rural and isolated communities. All small rural communities need young persons of the calibre of Rebecca to be continual role models for others in the community. Rebecca has displayed this ideal by recently being named Warren’s Young Person of the Year. The future of communities in the “bush” depends on young people being supported with their further education so as they may one day return to become the leaders of the future. Auscott Limited is to be applauded for making this happen.

Warren Central School has a proud tradition in winning the Auscott Scholarship and we congratulate the fine achievements of some of our past winners: Maria Sutton (Doctorate in Archaeology), Janene Stephens (Bachelor of Physiology), Andrew Clarke (Veterinary Science),...
Jamie Moran – Davis (Bachelor of Accounting), Gabrielle Manga (Bachelor of Education), Katrina Robertson (Bachelor of Radiology), Wesley Hamilton (currently studying a Masters of Physiology), Rhiannon Stephens (completing the final year of her Bachelor of Sport Management and Tourism degree) and last year’s recipient Rachael Cooney (continuing her degree in Psychology and Criminology).

From the Deputy Principal
Well I must say that I have had a very enjoyable start to the 2013 year. There have been far less issues in discipline that I have had to deal with. We have a lot of wonderful students who are putting more hope into education being their way to a better future. It is great to see the happy smiling faces of students who are achieving their goals.

Welcome to Mr Ray Heath who is a Rural Relief Teacher based at Warren. Mr Heath services schools in Gil, Trangie, Tottenham, Nyngan, Narramine and other small schools around, if required.

Mrs Julie Whiteley was very busy in the first week assessing the Kindies for the Best Start Program. This was a pleasant introduction for a number of children into “Big School”. The benefits of the Best Start program will be enormous in the future as students can have their individual programmes tailored to their needs. Meanwhile Ms Kiefel will be learning all about Reading Recovery and implementing that program into the lower Primary classes.

The staff have been very busy preparing lessons involving “Thinking School” quality teaching and learning processes. These along with collaborative classrooms have been a focus by all staff and have changed the way students and staff interact in the classrooms. The success of this program will be determined throughout the year and be constantly evaluated. So far a lot of students are enjoying the new ways of learning.

The Swimming Carnival went off without a hitch thanks to the efforts of Ms Reeves, Mr Hinton, all the staff and students who participated. Congratulations to Oxley House for winning the Carnival and also to all the record breakers – I’m sure it will be a while before Abbey’s records will be broken.

Students and Staff have begun training in IKIFIT. Kim McRae and his assistant from Trangie visited the school last Wednesday and ran programs with Years 8,9,10 and 11, then after school with the staff. With the implementation of Positive Behaviour Learning this year, IKIFIT fits right in and adds to the welfare and discipline of Warren Central School.

The Trade Training Centre is coming on well. The old kitchen has been totally gutted, and the old science lab is now the new kitchen for the next 12 months. When the TTC is finished, it will be up to industry standards for kitchens and will mean that Hospitality and food tech will take on new dimensions.

The Royal Far West Program will be starting tomorrow out the front of the school. This is a pilot program in which students will be assessed for speech needs by professionals. Warren Central has been very fortunate to be part of the pilot program. Thanks to Mrs Brooker for her negotiating and organising skills in arranging for the RFW to come to Warren.

New Face at WCS
Mrs Gaye Rush has commenced as our new English /HSIE teacher. Mrs Rush has spent the last four years teaching at Tottenham Central School and the previous sixteen at Moruya High School on the South Coast. Pictured with her is Mrs Smith who was promoted to Head Teacher English/HSIE last year.
K-6 Department

WELCOME!
Looking forward to a wonderful year with all our students, staff and school community!

Dates for your diary:

Term 1:
19/2/13 Barnardos – ‘Arts in the Dust’ Program
22/2/13 Gobondery/NARRAF Zone Swimming at Narromine

Our first K-6 assembly for 2013 will be held next Wednesday 27 February at 2:00pm in the J B Renshaw Hall. The class item will be presented by 5/6 Oceans. Following will be “Meet the Teacher” for K-6

Ms J. Reeves – Assistant Principal Teaching and Learning

K-8
Mrs K. McArdle – Assistant Principal Welfare

Swimming Carnival Our whole school swimming carnival was held in our first week back at school. It was a fresh start with all competitors ready to swim. The first race was the Open Primary 100m freestyle which kicked the day off in fine style with our very first record broken. All the sporting houses (Oxley, Mitchell, Sturt and Macquarie) were shouting out their war cries to get their team revved up. K-2 students had lots of fun in the little pool, with games and activities. It was a great day with everybody swimming very well and participating in most events.

Many swimming records were broken in both Primary and Secondary. Felix Weston, Earl Greenaway, Mackenzie Pardy and Abbey McCloskey were the in form swimmers on the day with each of them breaking a number of records.

Our swimming champions were:
Junior Primary – Earl Greenaway / Mackenzie Pardy
Primary 11 Years – Riley Brown / Saranna Fisk
Senior Primary – Felix Weston / Allie Andrews
Junior Secondary – Matthew Marks / Abbey McCloskey
Senior Secondary – Molly Gough
Open Secondary – Craig Fields / Megan Callander

Congratulations to all our swimmers.

Oxley were the eventual house champions with Macquarie and Mitchell equal second and Sturt 4th.

The following students have been selected to represent Warren Central School at the Gobondery/NARRAF Zone Carnival being held in Narromine on Friday 22 February – Felix Weston, Max Irving, Riley Brown, Earl Greenaway, Allie Andrews, Katie Cohen, Amber Gordon, Saranna Fisk, Ruth Cant and Mackenzie Pardy.

Secondary students who will be competing at Peak Hill Central School Swimming Carnival and Western Region are – Abbey McCloskey, Joseph Marks, Emma Bermingham, Matthew Marks, Savannah Nielsen, Chelsea Stephens, Lucy Hammond, Kayla Higgins, Tyson Farrell and Hamish Callander. We wish them all the best in their swimming endeavours.

Ms J. Reeves – Carnival Coordinator
Secondary Studies Faculty News
A big thank you to:

- Haddon Rig who donated a large square bale of straw
- Simon and Rachael Cant for donation of chook feed last year
- Tony Smith who donated a trailer load of manure
- Auscott who donated a trailer load of cotton trash.

All of this is going towards the vegetable patches in the Ag plot.

It is greatly appreciated.

- Welcome to Mrs Julie Wise who is teaching Year 7 Technology and 9/10 Agriculture. Mrs Wise is at school on Thursdays.

- Mrs Appleyard and Mrs Taylor will also teach some of these lessons on days Mrs Wise is not teaching.
- The Trade Training Centre (Hospitality facility) is on target for completion this semester.

Miss Rice and Mrs Mayger are to be commended for both the preparation they made for this huge construction project and their adaptability to deliver the Food Technology and Hospitality programs whilst the renovations take place.

The students are also to be congratulated for the smooth transition into the temporary kitchen – the aromas are as good as ever!!

- A reminder to parents that subject fees are now due. The fees are available from the subject selection book or by enquiring through the front office.

- Formal assessments and homework have now also begun for Term 1. Due dates are available from the assessment book. Please encourage your child/children to complete homework and submit assessments on time.

- Thank you for your on-going support.

Mrs R. Taylor – Head Teacher Secondary Studies

Careers News
Congratulations to Rebecca Murray (Year 12 2012) who was awarded the inaugural Bruce & Robyn Loder Education Scholarship administered through Auscott. Rebecca plans to study a Bachelor of Business (Management) at Charles Sturt University in Bathurst. We wish her all the very best.

Mrs R. Taylor – Careers Advisor

Secondary SRC and Primary Prefects were presented with their badges by Mr White at the K-12 assembly held last week.

Savannah Nielsen

Cultural Committee
Molly Gough
Erin Murphy
Annabelle Taylor
Isabell Hamblin

Teacher/Executive Liaison
Megan Callander
Prue Murray

District Representatives
Kayla Higgins
Emily Smith
Royal Far West ‘Come N See’ Pilot Program
This week we welcome the Care Mobile from the Royal Far West. Warren Central School has been targeted as a pilot school for the RFW Rural and Remote Services School Partnership Program. This week will see a number of students provided with an individual speech, language and communication assessment by one of three Speech Pathologists. Individualised programs will be developed and delivered via Video Conferencing at school over a period of 8 sessions during Term 1 and Term 2. We warmly welcome and thank Craig, Julia, Ellen and Donna from the Royal Far West. Thank you also to Mrs Trish Smith who has volunteered to assist in the organisation of the two days.

Please refer to the attached information regarding the Speech Pathology Services provided by the Royal Far West. If you have any questions, please contact Jenny Brooker 68474438.

Mrs J. Brooker

Little Possums

Open 7.30am-6.00pm, Monday to Friday
Educational programs for children aged 6 weeks to school aged
Babies, Toddlers and Preschool Rooms operating
All meals & nappies provided
Full School Readiness program
Registered for Child Care Benefit and Rebate
55 Chester St, Warren Phone: 6847 3355

WARREN CENTRAL SCHOOL P &C
ABN: 69 78 41 471 967
School Banking Program has started for 2013.
It is run by the P&C with
the Commonwealth Bank of Australia.

It is available for all students from K-12.
It is a great way to teach your children the value of saving
and earn money for the school to purchase new
equipment at the same time.

Last year after only 4 weeks of school banking the
P&C earned over $100 in commissions.

Every deposit your child makes is rewarded
with a token.

Once they have 10 tokens they receive a prize
Like a money box, drink bottle, book light, watch, wallet
and many more………..

The best savers could average a prize every term.

If you are interested open a Youth Saver Account for
your child at the Commonwealth Bank Warren.

You will need to take their birth certificate as
identification.

SCHOOL BANKING DAY: TUESDAY
Deposit books will be collected by Mrs Ridley
She will get your deposit books when collecting the rolls.

For any further details contact: Trish Smith, Treasurer
Warren Central School P&C - 0268474271

Would you like to have an
Overseas adventure!
Rotary International Youth Exchange Program
offers students in Year 10, 11 and 12 the opportunity to experience
a year of living in another country.

Are you ready to swim with a Fin?
Mix it with a Mexican?
Take a plane to school?

Are you ready to become a
Rotary Exchange Student in 2014?

Your family may like to host an
Inbound Exchange Student.

Tuesday, 2 April 2013,
(between the hours of 1pm – 4pm only)
to the Warren Sporting and Cultural Centre

Judging of Artworks takes place on Friday, 5 April 2013

Opening Exhibition and Winners announced on Friday, 5 April 2013 at 6pm in the Community Room at the Sports Complex

Public Exhibition from 2 April – 24 April 2013
(with winners being displayed in the old Peter Browne’s Gallery)

Collection of Artworks takes place on Monday, 2 April 2013
(between 3pm - 5pm, from Sporting Complex – for those not participating in Regional Comp)

Any enquiries please contact
James Cleasby at Council on 6847 6600.

WORLD EDUCATION PROGRAM

World Education Program (WEP) Australia is now accepting applications from students who wish to participate in 2013/14 exchange programs for a summer, semester or year. Students can choose to study and live life with a carefully selected host family in more than 25 countries.

I did it! 10 months in a foreign country, without knowing the language, culture and not even a single person at first. I have experienced unforgettable moments of highs and lows, but I can't imagine not having done this now. Thinking about all the amazing people I've met, the lessons I have learnt and things I have seen, I feel truly lucky to have been there living a different life. I have no regrets, as I have grown to be more mature, open to life and aware of the world around me. Despite it being hands down the hardest, it has also been the best thing I have ever done for myself. I now feel ready to start life in Australia with a clearer idea of who I am, knowing my strengths, weaknesses and my future goals. Exchange has really helped me define myself and become a stronger and more confident person.

Alison (Moreton Bay College) year program to Italy

Exchange students return to Australia with maturity, confidence, and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada, Ireland and the UK are also available.

Scholarships to Argentina and China and Early Bird Specials are now available for programs commencing in 2014!

Become a WEP Host Family!
Experience the joys of hosting an exchange student and gaining an international family member. Visit www.wep.org.au to find out more.

Collie, Nevertire & Warren
Sunday 3 March

Why
Keep our community beautiful by grabbing your family, friends, neighbours and community groups to clean up litter at Collie, Nevertire and Warren.

Meet
From 9:00am onwards register at the following locations where you will be given a rubbish bag and be assigned to a local clean-up site.

- Warren: IGA Supermarket
- Nevertire: Nevertire Hotel
- Collie: Collie Hotel

Bring
Bring along your gloves, hat, sturdy shoes, sunglasses, sunscreen and water bottle.

 Afterwards
After the clean-up join other volunteers at one of the following venues:

- Warren: Warren Golf Club
- Nevertire: Nevertire Hotel
- Collie: Collie Hotel
What is a Speech Pathologist?

Speech Pathologists are health care professionals with training and expertise to help people with communication difficulties and swallowing difficulties. They assist with more effective means of communication (through words, gesture, hand signing, picture boards, symbols, or electronic communication devices).

What is communication?

Being able to communicate effectively is something most people take for granted. Communication has a major impact on quality of life and includes speech sound production, language, pragmatics (social skills), fluency and voice quality.

Speech Pathologists can give someone an improved means to communicate with their loved ones (and others), not just about their needs and wants, but their thoughts and emotions. This can affect people’s satisfaction, happiness and health, as individuals and as members of a family and the community.

What do Speech Pathologists do?

Speech Pathologists provide assessment and therapy for a wide range of communication and feeding/swallowing disorders for pre-school children, school-aged children and adults.

Speech
The inability to produce sounds required for normal speech

Language
Receptive: a problem understanding conversation
Expressive: difficulty forming sentences

Pragmatics
The rules of learning language to communicate effectively

Fluency
Stuttering: an interruption of the normal flow of speech

Voice
Disorders of the quality of voice

Swallowing and Eating
Attachment difficulties in breast feeding and infant feeding

Speech Pathologists work closely with parents/carers and liaise with other professionals as required, for example allied health, medical professionals and teachers. Therapy may be offered as part of/or in the form of home programmes, group sessions, working within a classroom, individual sessions or parent groups.
When should you refer to a Speech Pathologist?

You should refer to a speech therapist if you are concerned about:

- **Speech development**
  e.g. pronunciation of words
- **Language development**
- **Stuttering**
- **Voice difficulties**
- **Feeding difficulties**
- **Social difficulties**

A speech pathologist’s workload might include:

- giving advice about feeding to a mother whose baby has difficulty sucking
- working with children who don’t pronounce their words correctly and are difficult to understand
- working with a person who stutters
- training a person who constantly loses her/his voice
- rehabilitating a person who has a brain injury
- liaising with the carers of an elderly person, who has dementia
- helping a person who has had a stroke to regain their communication skills
- providing education for teachers, doctors or parents
- providing communication strategies for a person with intellectual disability
- treating a person who has swallowing problems following a stroke
- assisting children and adults who are learning to read

How to contact a Speech Pathologist

- Call your local community health centre and ask to speak to a Speech Pathologist.
- Ask your doctor about care plans available to assist with costs of private therapy.

- “What is a Speech Pathologist?”
NSW SCHOOL-BASED VACCINATION PROGRAM

Each year NSW Health offers the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school-based vaccination program.

In 2013 the following vaccines will be offered:

- Hepatitis B vaccine for all Year 7 students who have never received a course of hepatitis B vaccine when they were a baby.

- Varicella (chicken pox) vaccine for all Year 7 students who have not previously received varicella vaccine or had chickenpox disease.

- Human Papillomavirus (HPV) vaccine will be offered to Year 7 male and female students, and to Year 9 male students, as a 3-dose course over a six-month period.

- dTpa (Diphtheria, Tetanus and Pertussis (whooping cough)) for all Year 7 students (booster dose).

Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to read all the information provided, complete the Consent Form and return it to their child’s school. Please ensure that your child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child’s name) on the Consent Form, as this is required to record the student’s information on the National HPV Vaccination Register and, for female students only, link to the National or State Cervical Screening Program.

A Record of Vaccination will be provided to each student vaccinated at the clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.
GENERAL SCHOOL CONTRIBUTIONS FOR 2013

K-6 - $35
Years 7 & 8 - $50
Years 9 & 10 - $35
Years 11 & 12 - $35

Please Note: The General School Contribution is a voluntary fee, which we urge that you consider paying. All funds attained from this contribution are used to support the school’s curriculum. It is used for:

1. Extra resources used in our classroom programs.
2. Some paper and pens etc used in K-6 classes.
4. To subsidise a variety of cultural programs/variety performances.
5. To assist in the purchase of teaching resources, computer software, sporting gear and library resources used in our teaching programs.

SUBJECT CONTRIBUTIONS

These contributions are used to cover some of the extra costs of consumable materials and equipment used in a variety of classes included in our curriculum. As students elect to study these courses as part of their curriculum pattern it is expected that these contributions be made to assist us provide this material. (eg food, art supplies, wood, some machinery etc).

Subject contributions fees for 2013 are as follows:
