Term 2 has been very productive and at times a hectic term. Warren Central School has been very active in the local community. Many students marched at the ANZAC Day march, attended both the Dawn and 11.00am service. The Primary Choir sang beautifully at the service. Students work was showcased at the local show. From classroom displays, literary items, art, craft and cooking.

The term started with our own ANZAC Day Ceremony with many veterans attending. The ceremony was well coordinated by Mr Perry, Mrs Whittaker and Mrs Ridley and well run by students who led the assembly and those who gave addresses.

Students in Years 3, 5, 7 and 9 completed the three days of NAPLAN testing and we are waiting for their results later next term. Senior students travelled to Dubbo for Tertiary Information Days, HSC Seminars and Business Studies Day. Years 7 to 11 also completed their half yearly exams in Week 7, with reports for Kindergarten to Year 11 being sent home this week. There will be a parent/teacher afternoon early in Term 3. Three students from Year 11 have applied for the UWS Rural Indigenous visit to travel to the UWS campuses in Sydney to study university life and the courses available. This will occur week 1 next term.

Although the Athletics Carnival has been postponed to Term 3, sport has been a large factor in Term 2. Primary students have participated in a Rugby Clinic, Gobondery/NARRAF and Western Region Cross Country, the Peachey/Richardson Cup and the Gobondery/NARRAF Netball/Touch Football Carnival held here in Warren. Secondary students competed in the second round of the CHS football but were unfortunately beaten. The Squash team won Western Region Squash at Dubbo and will be competing again in Term 3 for the next round. This week students are competing in Lawn Bowls in Gulargambone. We have had touch teams and Western Region Cross Country teams competing.

Both Primary and Secondary SRC students have been actively involved in leadership activities and fundraising to purchase a Lone Pine seedling for the school grounds. Annabelle Taylor, as School Captain will be representing Warren Central School in Sydney at Government House this Wednesday.

The highlight of the term is the large number of students who have earned rainbow bands this term. Last Friday a total of 77 rainbow bands had been issued to our Respectful, Responsible Learners. These students have been rewarded with a trip to Dubbo to see Minions. Also a large number of students will receive either a Bronze or Silver award on Wednesday at our K-12 assembly.

The PBL committee has been reviewing procedures and we have included at the end of Jumbunna two flow charts for you to consider. These have been ratified by the School Council. Please feel free to complete the feedback sheet attached and return to school by Friday Week 1 Term 3.

I would like to wish everyone a happy and safe holiday and look forward to students returning on Tuesday 14 July 2015.

Help our School by recycling your oral care waste.
Every year in Australia, over 30 million toothbrushes and 80 million toothpaste tubes are thrown away.
Our school is participating in the Colgate Oral Care Brigade, a unique recycling solution in partnership with Terracycle. Simply collect your used and empty oral care waste (any brand accepted), send it to school with your child and we’ll ship to Terracycle to be recycled. You can provide a second life for the following acceptable items and their outer packaging.

**Toothbrushes**
**Toothpaste tubes**
**Toothpaste caps**
**Floss containers**
For each approved item received, our school will be awarded points which can be redeemed for funds for the school. Colgate will award $1,000 in local currency to the registered school from which we receive the largest total shipment of oral care waste in Australia before 1 November 2015.

Thank you for your participation.

Out of School Activities
We are seeking parents/caregivers assistance with the return of permission notes. Every trip made by students out of school requires a signed permission note from the parent/caregiver. The school sends these home with the student usually 2 weeks before the event.

Each form has a return by date and states that “**No late permission notes and money will be accepted after the due date**”.

From next term (Term 3) we will be upholding this rule. All permission notes MUST be returned by the due date otherwise the student will be removed from the team and if necessary the whole team will be removed if not enough notes are returned.

We are having great difficulty organising days, teams and transport due to non-return of permission notes by the due date.
Thank you for your assistance with this concern.

School Pick Up
It is important to remember that if you are picking your students up after school that they must be collected from the front of the school at the exit gate and not from the bus zone and bus gate.

Also remember to follow road rules outside the school when picking up students and be aware of the no standing and no stopping areas in the vicinity of the pedestrian crossing. Staff will hold children in the school grounds until you have parked safely and walked up to collect them. Once you have your child please move away from the area quickly to avoid congestion and confusion at the gate. Please take note of the rules addressed elsewhere in this Jumbunna as police are increasing their patrols around the school both mornings and afternoons.
Peachey/ Richardson Shield
On Thursday 11 June a netball and football team travelled to Coonamble to compete in the Peachey/Richardson Football Cup and the Netball Schools’ Cup.

The students played well and we would like to thank Mr Murray and the Year 12 students for giving up their time and training the boys in football skills.

Gobondery/NARRAF Netball/Touch Football Carnival
On Friday 12 June we hosted the Gobondery/NARRAF Netball/Football Carnival at Victoria Oval, Warren. The P & C ran a very scrumptious, well stocked canteen during the day so thank you to Mrs Liz Barnett and her team of wonderful assistants. Thank you to Mrs Perry for organising and running the very successful day. Our students participated extremely well with the Senior Netball winning the day and not losing a game and the Junior Netball and Junior Football teams tied first and only lost one game. Congratulations to all the students who played well and displayed sportsmanship.

Positive Behaviour for Learning
Many of our K – 6 students have eagerly collected bands to progress through to a rainbow band by last Friday 19 June which was the cut-off date for bands to be exchanged.
All bands, except rainbow, must be returned to the classroom teacher by the end of this term.
School Uniform
Thank you to all parents and students for looking extremely smart in their full school uniform. Please remember the uniform for K-6 girls is black watch tartan skirt or skort and for the boys grey shorts.
On Fridays the sport uniform is green shorts for boys and green shorts/skirt/skort for girls.
As it is getting colder please don’t forget to pack the school jumper and make sure all clothing is clearly labelled.
As part of the school uniform all students are expected to **safe, supportive black leather shoes** Monday to Thursday.

Year 1 Maths Activity
Year 1 have been learning about Data in Maths; as part of our activities we went outside the school to make a tally of vehicles that passed our school. The children were asked to use tally marks to enter their data.
At the conclusion of our lesson we returned to the classroom to display our data in graph form.
