FREE Singing Workshops

Open to all students in Years 3-11
5th April - Warren Central School
Primary Boys: 9.00am
Primary Girls: 9.45am
High School: 10.30am

Workshops will be led by award-winning conductor and inspirational artistic director of the Moorambilla Festival, Michelle Leonard.

Children will be part of a fun and interactive singing and percussive skills workshop. No preparation required! The workshop is designed to be a fun educational and cultural experience to tap into the hidden vocal talents of each child.

Some children may be offered a place in the Moorambilla Voices choir to perform at the Moorambilla Festival held in Coonamble in September. Fees will apply if selected, however some scholarship support is available.

For information about the Moorambilla Festival and the choir go to www.moorambilla.com or contact your school.
